Public Notice

Dated : 15th June, 2017

Subject: Regarding Payment of Seat Acceptance Fee through Demand Draft

Seeing the difficulty faced by the candidate to deposit Seat Acceptance Fee through on-line mode because of lower transaction limit in their debit card, credit card and net banking facilities, a 4th option is now been activated to make the payment through demand draft in favour of “**NCHMCT**” and payable at **New Delhi or Noida**.

It may be noted that, in case, the bank is unable to issue a single demand draft for the Seat Acceptance Fee, multiple draft will also be accepted.

In the case of fees paid through demand draft, the confirmation of seat is subject to realization of the demand draft.
